- **Solar & Water:** A 13.2kW solar system powers the property. Water is plentiful with 4 x 22,500-litre rainwater tanks and a bore delivering 42 litres per minute.
- **Dams & Irrigation:** The property has two dams—a massive holding dam servicing the crayfish ponds and irrigation, and a smaller dam feeding water to the house and gardens.
- **Fruit Trees:** Enjoy an established orchard with a variety of fruit trees, including bananas, mango, fig, pawpaw, lemon, lime, lychee, apple, and more.

Crayfish Farm:

The property's 16 Redclaw Crayfish ponds are fully equipped and ready for operation, offering an ideal opportunity for aquaculture enthusiasts or those looking for a supplementary income stream.

Cherax Quadricarinatus (Australian Redclaw Crayfish) annually, known for their fast growth, hardy nature, and culinary value.

Infrastructure includes electric pumps powered by 3-phase electricity, a 40-foot container filled with crayfish habitat, flow traps, food, and a nearby network of other Redclaw farms for support.

The Redclaw crayfish is a tropical freshwater species native to Queensland. They are highly prized for their mild, delicate flavour and are in demand both domestically and internationally. The property's location—near Noosa, Gympie, and other key markets—makes it ideally situated for easy distribution.

Outdoor & Animal Space:

There's plenty of room for horses, with ample space to add an arena or paddocks, making it ideal for equestrian enthusiasts or someone looking to have a hobby farm. The land also offers plenty of room to keep other livestock or animals, providing endless possibilities for a rural lifestyle.

Location Perks:

- Proximity to Key Areas: Just 36.3km to Noosa, 27.6km to Gympie, 68.1km to Rainbow Beach, and 47.2km to Tin Can Bay.
- Schools Nearby: Only 8km to Wolvi State School, 25.3km to Gympie State High School, and 27.5km to Victory College. A school bus stops at the end of the road.

This property offers unparalleled peace and privacy, sitting at the end of a quiet no-through road, and backing onto State Forestry land. Whether you're looking to enjoy a rural retreat, start a new venture, or expand an aquaculture business, this property has everything you need.
